Show News

The Red Valley Saddle Club would like to welcome all of our new members who bravely came out on May 1st and were treated to a taste of what should have been April showers. We were glad to see you there and hope this doesn't dampen your spirits (no pun intended) for the season.

The May 29th show will be the **Rusty/Green Show**. It will be a "casual dress" show, offering 3 classes in addition to our regular show schedule including Rusty Green Showmanship, Equitation on a Horse and Equitation on a Pony (English or Western attire).

Classes and clinics are included in the \$15.00 day membership. The Showmanship Clinic will be held before the Showmanship class and the Equitation Clinic will be before the Equitation Classes.

You are also welcome to show in any scheduled Red Valley class, but remember that to do so will require you to purchase a full membership and all standard fees will apply.

Red Hats/Red Shirts

In order to help make your own showing experience a little less stressful, this season there will be some of our members sporting either red ball caps or red shirts. If you have any questions or need help, feel free to approach them. If they don't have the answer, they'll find someone who can help you.

Volunteers

Red Valley is always appreciative of anyone who would like to volunteer. If you're interested in being a part of helping us in any way, either as part of the organization or even in any unofficial capacity at the show, let us know. Extra hands go a long way in the shows running smoothly. Just contact any of the executives or board members.
