President's Message

Show season is just around the corner, and we are looking forward to another rewarding show schedule. After our long "snowy" winter this year I hope everyone is ready to jump into the show ring! We have a few new opportunities this year and we hope our members will take advantage of them.

Our second show this year will be our "casual dress" show, as well we will be testing a new "rusty/green" class, providing entries in this class are sufficient your Board of Directors will make a determination to add this class permanently, or not. The classes will consist of a combined showmanship class (pony and horse) and an equitation class (english or western attire) one class for pony and one for horse. It is our goal to encourage new interest in our club from various sources around our community and neighboring communities. Our club prides itself in our friendly open atmosphere and our willingness to assist and encourage new members.

In closing, I would like to welcome back our members and I am looking forward to meeting new ones! See you all May 1st.!

Regards,

Kim Merklinger
